Roster information needs to be completed and mailed to the secretary. George thanked Jack Oliver for his work on the calendar for the last six years. Jack is looking for a replacement to do the yearbook next year.

SCYYRA Sailing Team: 16 members selected, by Guy, Susie and Jana. List attached. Discussion followed regarding what the team will do this year. It was suggested that there be recognition for the number of years a person is on the team. George will look for someone to donate jackets for the team members. The team may travel to a regatta in San Francisco. Jeff Grange discussed the 29er that they have in Santa Barbara. He is hoping to get a fleet together for a class June 26-27.

North- 30 entries, 12 kids have sailed in all 4 events. Plans for next year- Jack will check to see if ABYC could do the 3rd North.

Ullman, Perry, Frost: Starts at ABYC. Lasers will sail outside at Newport for the 2nd part of Ullman at Spring Gold Cup. 420's and Laser Radials will sail at MBYC Midwinters.

Shadden- Throw outs changed so the winner would come to all regattas and to emphasize consistency of results. We are trying to get in more races at each regatta, averaging 6 races.

Tim will work on organizing an FJ Team Regatta. SCYA events of Stuart-Carpenter and Commodore's Challenge seem to need to be improved.

Tim will reschedule the Junior Commodore's. SCYA is in charge of the Stuart-Carpenter.

Junior Olympics-Plans are moving along for July 15-18 at Cal.
