As a part of their entry teams will need to submit name and weight of skipper and all crew. There are 10 berths available. If the event is oversold at the registration deadline final team determinations shall be made by the PCISA Board based on resume items that may be requested after entries are received. Resume Items to include:

Team/Schools ranking in PCISA Events in 2021-22

Team members (Skipper & Crew) experience in small keelboat sailing & Racing Resume

If teams have similar “rankings” on the above two items, priority will be given to the “older team” (as determined by Year in High School)

4. ENTRY FEE

4.1. The entry is \$350 per school. This includes boat and sail charter and awards for top placing teams.

4.2. The entry fee shall be submitted prior to 1700 Friday September 23, 2022 via the event website.

5.2. Competitors are responsible for ensuring the boats are in shipshape condition each day after racing.

6. DAMAGE & PAYMENTS

6.1. Competing teams are required to maintain a \$500 “Damage Deposit”. It will be assumed that the Credit Card used to pay the Regatta Entry will serve as the source for this “Deposit”. Nothing additional (besides the entry fee) will be charged to this Credit Card until the Responsible Adult for a team has been notified and matters have been discussed and alternatives agreed as it relates to damage or an incident. An alternative source of funding (another credit card, cash, check, etc.) can be offered by the team at this time of discussion.

6.2. Teams are responsible for ALL damage while sailing these boats. In an incident that involves a Protest, the boat(s) found to be “at fault” shall assume liability for all damage unless both parties and the OA agree otherwise. Costs associated with any damage will be billed to the team and that team shall not be eligible for other PCISA events until that bill is paid. If there is damage that cannot be attributed to a specific team the cost of the damage shall be divided amongst all teams in the regatta. Check your boats carefully upon each rotation and notify regatta officials of any damage that existed before you took responsibility for that boat.

16. OFFICIAL NOTICE

- 16.1. No contestant shall use, either on or off the water, marijuana or any other controlled substance, as defined in 21 U.S. Code 802, the possession of which is unlawful under U.S. Code 841, or alcoholic beverages (distilled spirits, wine, and beer, each as defined in Chapter 51 of the U.S. Internal Revenue Code and intended for beverage use). An alleged breach of this procedural rule shall not be grounds for a protest. However, when a report is received from any source, alleging such a breach a protest committee consisting of the regatta chairperson, a member of the ISSA Board of Directors, and the chairperson of the protest committee, shall follow the process described in RRS 69.1(b). If a hearing under RRS 69 is held, a competitor found to have breached this procedural rule shall be excluded from the remaining races of the series and, where practical, be removed from the regatta venues and sent home.
- 16.2. Additional penalties consistent with RRS 69.2 may be imposed on the competitor or the competitor's team. This regulation is in effect during the entire event from the date and time of arrival through the date and time of departure from the regatta site.

17. RIGHTS TO USE NAME AND LIKENESS

- 17.1. By participating in this event, competitors automatically grant to the Organizing Authority and the event sponsors the right, in perpetuity, to make, use and show, at their discretion, any photography, audio and video recordings, and other reproductions of them made at the venue or on the water from the time of their arrival at the venue, until their final departure, without compensation.

18. WAIVER OF LIABILITY

- 18.1. Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race.
- 18.2. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event.
